Acupuncture and Chinese Medicine with Combined Therapies: Along with the acupuncture, their will be hands on healing such as Jin Shin Do Acupressure, Reiki, Niaszihi Healing and other Chinese Medicine techniques such as electrical stimulation, gua sha, cupping, external qi gong, medical qi gong, sound vibrational healing and more. One or more of these modalities are used during your sessions to maximize the effect of the needles and the energy flow on a body, mind and spirit level. Each of these therapies on their own have profound affects but when combined together the synergistic effect of the combination speeds up the healing process, and will have profound lasting effects. You will take home self-healing skills and be able to use them for the rest of your life.

Combined (Non Acupuncture) Mind, Body and Spirit Healing Therapies:

Niaszihi Healing (See Description Below) and/or, Reiki/Energy Healing, Acupressure, Spiritual and Intuitive Healing and Guidance, Sound Therapy, Internal and External Qi Gong (Movement Exercise to help facilitate the flow of energy in you body, mind and spirit), guided meditations, breathing exercises and homework-

Medical Qi Gong- \$15 per class, \$70 Per private session. **Qigong** is an ancient Chinese health care system that integrates physical postures, breathing techniques and focused intention. The word **Qigong**(Chi Kung) is made up of two Chinese words. **Qi** is pronounced chee and is usually translated to mean the life force or vital-energy that flows through all things in the universe. Medical Qi gong therapy is the eldest therapeutic modality of Chinese medicine. It is a comprehensive system of health care addressing the root cause of symptoms or disease, and treats the client as a whole.

Niaszihi Healing: is aimed at bringing balance and awareness to patterns and belief structures that keep us from living life to it's fullest in peace, love, joy and purpose. It is a philosophy of choice and helps to heal the wounds that affect our body, mind, and spirit and while mining them for their potential gems and gifts. Our job as a healer is to help people them help themselves to change their perspective so they can shift and heal themselves. One of our greatest goals is help you to choose a powerful story for your life and then to aid and facilitate their journey of building bridges from their current reality into a newly discovered story.
